Case No. 1:00-cr-00162-SHR

MARY E. D'ANDREA, CLERK
Per dfn Deputy Clerk

Requesting a copy of
Docket Sheet and copy
of reconsideration letter/motion
of the 3582(c)(2) letter/motion

movant James H. Holloway filed a motion to have sentence corrected from mistakes made by P.S.I Agent where this court used same Amendment violation mistakes to sentence movant.

this court reviewed this motion same day as rec'd. movant reviewed motion back 5 days after mailing to this court. in less than a week on JAN 24 2007 movant mailed a reconsideration motion hand written to Judge Rambo address to her chambers, no response. the records in this prison indicate the legal letter was mailed out to this court.

I requested a copy of that motion of reconsideration as notice of rec'd in this clerk's office. I did not receive a copy or any notice.

movant also request this court honor the Law of this state and country to review and correct the errors made by parole Agent which affected the outcome of movant's sentence executed by Judge Rambo whom issued 125 months to movant in violation of the countries Amend.

the clerk of the court 2-13-2007

MOVANT Respect fully Request this office to send copy of Docket sheet - and copy of the Reconsideration motion/letter from Andrew for the 3582 (C)(2) motion as receipt of one to this court and clerks office. Thank you.

if the court's feel there is a more appropriate Avenue for correction of errors then movant respectfully request this court present that Avenue, base on the fact that movant is not AN ATTORNEY.

movant has A release DATE Dec 2008 to half way 6 month House. these remaining months are months movant should not be serving based on errors of facts made by this honorable court. As mention in movant's 3582(C)(2) motion and proven supreme court laws and facts stated in reconsideration motion that gives this court jurisdiction to correct and remove ALL errors that would immediately remove movant from incorrect in incarceration.

Respect fully submitted
